- Fabric scissors
- Straight pins
- Bodkin
- Measuring gauge
- Tape measure
- Fabric marking pens
- Fabric scraps (optional)

All of these supplies can be purchased at K-W Sewing Machines with a 15% discount, excluding sewing machines.

Additional Supplies

In our first class we will discuss the **additional supplies** you will need to create our pajama project. We will go through the steps of how to select a pattern and the types of fabric best suited for our beginner project.

Before our second class you will need to go to the fabric store to purchase your pattern and fabric. You will also need to **pre-wash** and iron your fabric before class. You will not be able to cut out your project without doing this step. **Pre-washing** allows for any **shrinkage** that can happen.
